MOVING
MOuntain Valorisation through INterconnectedness and Green growth

MOVING Newsletter / June 2021

Discover MOVING!

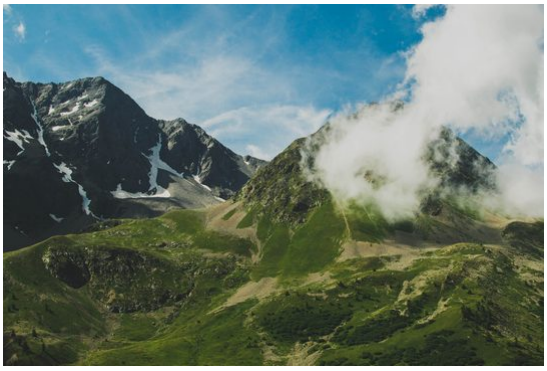
Read the full interview with Mar Delgado from University of Cordoba, the project coordinator to find out more about MOVING and what it aims to do.

Read more

Kick-off meeting

The project was launched in September 2020. Find out the key points of the first meeting that took place exclusively online.

Mountain Value Chains



A short blog by Michele Moretti (UNIPI) explaining what the value chains are and their importance for the research of our project.

Read More

Conceptual basis

MOVING has started to develop the theoretical basis for the project – the so-called ‘Conceptual and Analytical Framework’ (CAF).

Read More

Participatory Vulnerability Analysis

University of Cordoba presented the Vulnerability Analysis methodology, which will be applied in all 23 MOVING Reference Regions.

Land Use Systems

A short interview with Élia Pires from University of Évora about the work on land use systems carried out in the project.
