

Resources gathered during the webinar

We have gathered in this document the resources shared by our panellists during the webinar. Their help is greatly appreciated.

- Beginner's guide to Interreg transnational funding: <https://www.interreg-central.eu/Content.Node/apply/introductiontofundng.html>
- Interreg central Europe - documents for applicants who wish to get funds: <https://www.interreg-central.eu/Content.Node/apply/newfunding.html#Documents>
- Interreg Central Europe applicant community: <https://community.interreg-central.eu/>
- Strategy for local sustainable tourism development based on natural and cultural heritage of the Carpathians: <https://www.interreg-central.eu/Content.Node/Centralparks/D.T1.2.3-Strategy-for-local-sustainable-tourism-development.pdf>
- Examples of good practices of adaptation to the problems of climate change and young people in mountain areas, led by cities or municipalities: https://opcc-ctp.org/sites/default/files/documentacion/opcc-a_prueba_de_clima-es_2.pdf (document in Spanish)
<https://opcc-ctp.org/en/buenas-practicas> (document in Spanish)
<https://www.interreg-alcotra.eu/fr/alpimed> (ALPIMED CLIMA project, which involved students from schools of different grades in raising awareness of climate change impact)
- Example of success stories: <https://www.interreg-central.eu/cooperationiscentral>
- Discover EU projects in your region: <https://kohesio.ec.europa.eu/en/>
