MOVING NEWS

Second MOVING EU MAP webinar on European Quality schemes

On 8 November 2022, MOVING organised its second EU MAP webinar on European Quality schemes: the added value for mountain value chains, an event that gathered more than 60 people. All presentations, recordings and the highlights report are available at the event page!

Have a look!

MOVING Practice Abstracts online!

Browse through the 31 practical examples of how to make mountain areas more sustainable and resilient through our selected value chains. Farming and forestry systems, the vulnerability of value chains, and the participatory theory building are also other topics addressed in these short documents.

Check them out!

MOVING partners meet in person for the first time!

On 17 and 18 October 2022, MOVING partners met in Saignelégier (Switzerland) for the Steering Committee meeting to take stock of the progress achieved and discuss the next steps of the project. It was the first in-person meeting since the beginning of the pandemic.
